<b>Job Description</b>	

&nbsp;

United Arab Emirates University (UAEU) invites applicants for the position of Dean of the College of Agriculture and Veterinary Medicine. Reporting to the Provost, the Dean of the College of Agriculture and Veterinary Medicine will provide strategic and operational leadership to a high-profile College that has established successful partnerships with many of its programs being internationally accredited. The new Dean will build on the popularity and success of the College, driving improvement to the College's teaching, academic program, research outputs and engagement with government and industry partners. The Dean will establish an ambitious vision and will ensure that the quality of education, student experience and graduate employment opportunities are world-class.&nbsp;

Undertake any other duties that may be assigned by the provost.&nbsp;

#### Qualities, Skills and Values

Ability to articulate a clear vision and direction for the College.&nbsp;

Ability to communicate effectively with faculty, staff, students, colleagues, and external stakeholders.&nbsp;

A record of promoting collaborations and cultivating strong external relationships.&nbsp;

Knowledge of the business of Agriculture and Veterinary Medicine colleges including administration, finances, accreditation and research.&nbsp;

Ability to catalyze change and productively engage colleagues in innovation.&nbsp;

Ability to achieve outcomes by teamwork and through appropriate delegation.&nbsp;

Exceptional interpersonal and communication skills with excellent written and spoken English.&nbsp;

Strong budgeting and fiscal management skills.&nbsp;

Commitment to objective, evidence-based, ethical decision-making.&nbsp;

Track record of applying a collegial, consultative, and diplomatic management style that respects and facilitates interdisciplinary cooperation.&nbsp;

Understanding of cultural differences and ability to accommodate different perspectives.&nbsp;&nbsp;

Interested candidates possessing the required experience and qualifications are invited to apply by submitting a comprehensive curriculum vitae along with a covering letter.

#### Education, Qualifications and Experience

A terminal academic degree and terminal professional qualification from an internationally recognized, research-intensive University.&nbsp;

A PhD in Agricultural Sciences, Food Sciences or Veterinary Sciences and professional qualifications expected of an executive-level academic appointment that will command respect and credibility, as well as with the University's stakeholder community, key government ministries and employers.&nbsp;

Current or previous appointment at Full Professor level.&nbsp;

At least 5 years of senior academic leadership experience at department or faculty/college level, or higher.&nbsp;

Experience in effective management of a large staff complement and complex budgets.&nbsp;

Experience with leadership in strategic planning, budgeting, change management, academic collaborations, and collegial shared governance.&nbsp;

Experience in designing and working with traditional, problem-based, integrated and hybrid models of medical education.&nbsp;
