Job Description

POSITION VACANCY ANNOUNCEMENT

WORK LOCATION: Sugar Research Station, LSU AgCenter, St. Gabriel, LA

POSITION DESCRIPTION: Primary responsibility will be to manage the sugarcane research farm in consultation with the Resident Coordinator and research faculty. Coordinate all farming activities and supervise work of assigned research farm support personnel. Monitor conditions and make decisions concerning crop management.

QUALIFICATION REQUIREMENTS: The position requires a B.S. in agronomy, weed science, plant pathology, entomology, plant science, or a closely related field. Knowledge and skills in time management, organization, personnel supervision, data management, and computer skills are essential. Knowledge of farming practices and operation of farm equipment is required. Farming experience in sugarcane is desirable. The successful candidate must have acceptable written and oral communication skills
