Job Description

The Plant Science Research Center of Auburn University is seeking candidates for the position of Associate Director. The individual selected for this position will provide leadership to the center in collaboration with the Regional Director, Director of Experiment Station Research Operations, administration, Department Heads, and Dean for the College of Agriculture and the Director and Associate Directors of the Alabama Agricultural Experiment Station.

The primary purpose of the Plant Science Research Center (PSRC) is to provide greenhouse space and supporting facilities and services to research scientists of the Alabama Agricultural Experiment Station (AAES). The PSRC is dedicated to assisting scientists to meet the challenges that face Alabama agriculture presently and in the future.
