Agent will provide leadership for and work with producers, homeowners, commercial horticulturists, and other LSU AgCenter personnel to plan and organize well-balanced extension educational programs. Some examples of the activities conducted include, but are not limited to, school/community gardens, demonstrations, workshops, Master Gardener programs, and educational meetings. The Assistant/Associate/Extension Agent will disseminate LSU AgCenter recommendations, contribute to the parish web pages and maintain current information for clientele. The Assistant/Associate/Extension Agent is responsible for working with advisory committees to identify clientele needs, to develop programs that respond to those needs, and to assess program impact. The successful candidate will be required to prepare a strategic plan for the development and execution of an educational program emphasizing stakeholder horticulture interests and needs. The Assistant/Associate/Extension Agent will support programming needs for the horticulture industry in collaboration with the Northwest Regional network of ANR agents. The candidate will be expected to provide support for youth livestock programs in Lincoln Parish and perform other tasks that may be assigned by supervisor(s) and work cooperatively with other extension faculty at the parish, regional, and state levels. As an extension employee, the agent must be willing to continue professional development.

**Qualification Requirements:** A baccalaureate degree (Master's degree is preferred) in horticulture, agronomy, plant sciences, environmental sciences, or closely related areas is required. Experience in the field of horticulture is preferred. Must have an undergraduate degree with an overall grade point average of at least 2.5 GPA (GPA requirements based on a 4.0-point system) and a 3.0 GPA for any graduate work attempted. Candidate must be an effective communicator, utilize mass media in outreach programs and possess the ability to work cooperatively with individuals and groups. Candidate must be proficient in planning and executing educational programs in row-crop production and should have practical knowledge of production practices.

**Salary and Benefits:** Salary will be commensurate with qualifications and experience. The LSU AgCenter has an attractive benefits package with a wide variety of benefit options. Benefits offered include retirement, multiple medical insurance options, supplemental insurances (dental, life, long-term disability, accident, vision, long-term care, etc.), Tax Saver Flexible Benefits Plan (saves tax dollars on some child care and medical expenses), university holidays (14 per year, typically includes a week off at Christmas), generous annual (vacation) and sick leave benefits, Employee Assistance Program, and possible educational leave and tuition exemption for coursework at campuses of the LSU System. Specific benefits depend on job category, percent effort and length of employment.
