understanding and modern practical experience in using Auto CAD and/or 3-dimensional (SketchUP, Enscape or Lumion etc.) design skills in the planning, design implementation and management of high-performance landscape strategies and sustainable horticulture tactics suitable for the arid region. These include but are not limited to green infrastructure, environmental remediation, ecological resilience, and urban ecology. The selected candidate will fill a permanent position with an appointment in the CAVM. Primary responsibilities will be to handle practical classes in design architecture in the undergraduate Environmental Horticulture Design concentration. The successful candidate will have an opportunity to continue building synergy with the Landscape Architecture Department. The ability to contribute to ecological landscape design, contemporary construction methods and materials, digital design and fabrication workflows is strongly desired. In addition to teaching program, they will be expected to participate in student academic advising, maintain a record of service to the institution and their discipline, and develop a program of outreach and creative/scholarly activity supported by extramural funding. The successful candidate will also be able to participate actively in our community-engaged scholarship, interdisciplinary collaboration.

Minimum Qualification

Candidates must hold the PhD degree in their primary field of landscape architecture and design degree.

Preferred Qualification

Prior professional experience in the green industry or related fields with prolific experience in estimation of materials required for construction of landscape, designing landscapes for different ecological situations, implementation and cost estimations.

Special Instructions to Applicant

Please submit a detailed Curriculum Vitae and names and contact information of 3-4 references.

Salary Range

UAEU offers tax-free salary, housing, health benefits, education allowance for children, and air tickets for the family once a year.
