Job Description

Join Our Team - Impacting Lives Across Alabama!

Discover a rewarding career with the [Alabama Cooperative Extension Systems](#), the driving force behind Auburn University and Alabama A&M University's land grant mission. Our outreach initiatives extend to every corner of Alabama, bringing science-based education to empower individuals for a better quality of life and enhanced economic well-being.

From the heart of two prestigious land grant universities, we cultivate programs that make a difference. Whether online or in person, our impactful initiatives reach communities through 67 County Extension Offices and various teaching sites across Alabama.

Join us in making a positive impact in West Central Alabama as a Regional Extension Agent (REA)
