Qualification Requirements: Bachelor's or Master's degree in plant sciences, agronomy, horticulture, and plant pest management from an accredited college or university. The candidate should be experienced in management of greenhouse facilities and research experience is highly desirable. Good interpersonal skills are required for working effectively with faculty and breeding program associates. Excellent recordkeeping, oral and written communication skills, computer skills, and the ability to collaborate with colleagues are required.

Salary and Benefits: Salary will be commensurate with qualifications and experience. The LSU AgCenter has an attractive benefits package with a wide variety of benefit options. Benefits offered include retirement, multiple medical insurance options, supplemental insurances (dental, life, long-term disability, accident, vision, long-term care, etc.), Tax Saver Flexible Benefits Plan (saves tax dollars on some child care and medical expenses), university holidays (14 per year, typically includes a week off at Christmas), generous annual (vacation) and sick leave benefits, Employee Assistance Program, and possible educational leave and tuition exemption for coursework at campuses of the LSU System. Specific benefits depend on job category, percent effort and length of employment.

Date Available: Upon completion of the selection process.

Application Deadline: September 17, 2024, or until a suitable candidate is identified.

Application Procedure: Apply online at <https://lsu.wd1.myworkdayjobs.com/LSU> (or through Workday for internal applicants) by attaching a cover letter, curriculum vitae, official university transcripts, and contact information for 2-3 references. Paper, faxed or e-mailed application materials will not be accepted, except that in lieu of attaching the reference letters online, they may be sent directly to:
