Application Requirements

Document requirements

- Curriculum Vitae - Your most recently updated C.V.
- Cover Letter - Please include a 1-2 page cover letter indicating your preferred Departmental affiliation and/or faculty mentor.
- Statement of Research - This research proposal should not exceed 10 pages. Preference will be given to proposals whose orientation is broadly institutional and/or historical, and which are conceptually and theoretically innovative. Proposals with a primarily statistical or econometric purpose are not eligible for consideration.

Applicants should provide specific information about the project proposed for the fellowship period, and explain why support from the fellowship and the opportunity to work at Berkeley are important for the success of that project. We welcome proposals from applicants who have not received their PhD at UC Berkeley. Proposals from UC Berkeley doctoral graduates that outline a significant change in research direction and that indicate engagement with different disciplines and faculty from those pursued during the doctoral program will be considered.

- Statement on Contributions to Diversity, Equity, Inclusion, and Belonging - Statement on Contributions to Advancing Diversity, Equity, and Inclusion
Statement on your contributions to diversity, equity, and inclusion, including information about your understanding of these topics, your record of activities to date, and your specific plans and goals for advancing equity and inclusion if hired at Berkeley (for additional information go to <https://ofew.berkeley.edu/academic-recruitment/faculty-contributions-advancing-diversity-equity-inclusion-and-belonging>).
- Recent Publications - Please include at least one recent publication.
- Recent Publications - Up to two publications. Extra slot for second.
