Position Description: Seeds to Success: The Louisiana Farm to School Program is a collaborative effort to support the implementation of farm to school programming around the state, support farm to school activities, and build a local, sustainable food economy while stimulating economic development in communities. The Extension Associate is responsible to the Louisiana Farm to School (LA F2S) Program Executive Director and works under the direction of the LA F2S Program Director, and alongside the Farm to School Team. The successful candidate will plan, coordinate, and evaluate local food procurement for Farm to School- and Childcare-related programs working within the Louisiana Farm to School Program and in coordination with the Louisiana Department of Education (LDOE).

The Farm to School Program Manager will actively recruit childcare centers and schools to participate in local food procurement, coordinate and evaluate local food purchasing for Farm to Childcare Center/School, facilitate communication and networking, and provide technical assistance to childcare centers/schools and farmers to ensure they have the tools for success. This position will involve statewide travel and overnights as needed.

Job Responsibilities Include:
Technical Assistance

- Advise the LDOE Food Distribution Program Administrator on process and status of Local Food for Childcare Center purchasing and contracts.
- Provide on-going consultation and technical assistance to professional and support staff on implementation and programmatic issues of local food procurement in coordination with LDAF and LDOE.
- Provide training for childcare centers and school staff on local food procurement, policies and procedures.
- Attend meetings, seminars, and workshops for all CACFP Food Programs.

Food Distribution Administration

- Develop, assess, and monitor current approved Producers and Meat Processors for utilization in

the Local Food for Schools Cooperative Agreement Program (LFS) and the Local Food for Childcare Centers Program.

- Develop, oversee, and facilitate administrative functions of local food purchasing for childcare centers.
- Compile monthly data reports to track value of local food ordered by category, program area, and date.
- Assist with allocation of Cooperative Agreement Program funds for the purchase of locally and regionally produced foods.

General

- Provide direct support and administrative guidance to recipient agencies who are purchasing local food.
- Recommend training aids and participate, develop, conduct, and oversee in-service instruction to recipient agency personnel.
- Attend workshops, seminars, and conferences to increase USDA food program knowledge.

Qualification Requirements:

Preferred qualifications: Master's degree in a field listed below or Registered Dietitian AND at least one year of professional level work experience Or A Bachelor's degree in family and consumer sciences, nutrition, agriculture, public health, or closely related field and three years or more professional level work experience. Previous experience working with federal programs/grants is strongly preferred.

This applicant must have a record of effective oral and written communication skills. The applicant must demonstrate effective organization, administration and interpersonal communication, as well as networking skills. Ability to set priorities, and to work on multiple projects with and through others in a team is essential as well as the ability to function with minimal supervision. Successful candidates will exemplify a positive attitude and a passion to improve the lives of others. Must exhibit initiative and resourcefulness and work cooperatively in a positive team environment. Ability to work occasional evening and weekend meetings and events statewide.
