<b>Job Description</b>	

The Department of Horticulture and L.A. Department at Oklahoma State University is seeking applications for an MS student to start in summer 2025 or fall 2025 and a PhD student to start in fall 2025 or spring 2026. The MS student will work with biochar in the greenhouse and field production, while the PhD students will join research efforts involved with controlled environment plant production. The fellowship includes a competitive stipend and tuition waiver. Applications should be submitted to the Graduate College, (<http://gradcollege.okstate.edu/>) and should include a letter of interest, a CV, academic transcripts, GRE and TOEFL (if applicable), and three letters of references.
