Percent time: Appointments are typically part-time.

Anticipated start: Applications will be accepted and reviewed for department needs through the final date. Applicants are considered for positions as needs arise; the existence of this pool does not guarantee that a position is available. Applications are typically reviewed for fall course needs in April/May, spring course needs in October/November, and summer session course needs in January/February.

Position duration: Varied and may be renewable based on need, funding, and performance.

Application Window

Open date: June 17, 2025

Most recent review date: Wednesday, Jul 2, 2025 at 11:59pm (Pacific Time)

Applications received after this date will be reviewed by the search committee if the position has not yet been filled.

Final date: Monday, Nov 30, 2026 at 11:59pm (Pacific Time)

Applications will continue to be accepted until this date, but those received after the review date will only be considered if the position has not yet been filled.

Position description

The Department of Plant and Microbial Biology in the Rausser College of Natural Resources at the University of California, Berkeley invites applications for a pool of qualified temporary lecturers to teach courses in the area of plant and microbial biology should an opening arise. Screening of applicants is ongoing and will continue as needed. The number of positions varies from semester to semester, depending on the needs of the department.

General Duties: We are seeking outstanding lecturers who can teach/co-teach lecture, seminar, and/or laboratory courses in plant and microbial biology, both at the undergraduate and graduate levels. In addition to teaching responsibilities, general duties include holding office hours, assigning grades, advising students, preparing course materials (e.g., syllabus), and maintaining a course website.
