Position Description: This position will assist the PSEP program coordinator in the day-to-day tasks of the LSU AgCenter's Pesticide Safety Education Program. The major tasks of this position include day-to-day office activities to include: updating printed and video-based study materials for both commercial and private pesticide applicators across Louisiana, telephone and email correspondence supporting these constituents as well as basic record keeping for the program. Another major focus will include organizing recertification and certification conferences for commercial and private pesticide applicators throughout the state (Note: Occasional, overnight travel for these conferences will be required.). A minor focus of this position will involve public education/outreach to homeowners and groups such as the Master Gardeners regarding pesticide safety issues.

Qualification Requirements: Extension Associate Bachelor's degree is required. A B.S. in an agricultural related field is desired but not required. Desire proficiency in planning and executing educational programs. The candidate should have a strong working knowledge of Microsoft Word, Excel, PowerPoint and other Microsoft programs. A practical knowledge of general pesticide safety and/or pesticide regulation is preferred. Candidate must be an effective communicator, utilize mass media in outreach programs and possess the ability to work cooperatively with individuals and groups. Be self-motivated and able to work on projects with little direct supervision. Being bilingual in English and Spanish is also a desirable but not a required qualification.

LSU and the AgCenter are dedicated to fostering an environment where our employees feel appreciated for their skills and individual qualifications. If a candidate does not meet the minimum qualifications listed but has other qualifications or substantial experience related to the key responsibilities, we encourage them to apply (per La. RS 42:36).

Salary and Benefits: Salary will be commensurate with education and experience. The LSU AgCenter has an attractive benefits package with a wide variety of benefit options. Current benefits offered include retirement, multiple medical insurance options, supplemental insurances (dental, life, long-term disability, accident, vision, long-term care, etc.), Tax Saver Flexible Benefits Plan (saves tax dollars on some child care and medical expenses), university holidays (14 per year, typically includes a week off at Christmas), generous annual (vacation) and sick leave benefits, Employee Assistance Program, and

possible educational leave and tuition exemption for coursework at campuses of the LSU System. Specific benefits depend on job category, percent effort and length of employment.

Date Available: *Upon completion of the selection process.*

Application Deadline: September 29, 2025 or until a suitable candidate is identified.

Application Procedure: Apply online at <https://lsu.wd1.myworkdayjobs.com/LSU> (or through Workday for internal applicants) by attaching files containing a letter of application, curriculum vita, official university transcripts, and three letters of reference. Paper, faxed or e-mailed application materials will not be accepted, except that in lieu of attaching the reference letters online, they may be sent directly to:
