Knowledge Skills and Abilities

The Community Resource Development (CRD) Educator is expected to identify and establish working relationships with relevant local organizations and agencies to deliver educational programs, events and activities pertaining to CRD in a designated geographic region of the state. Individual responsibilities include helping people find information and services, bringing people together within the group and helping create a sense of community among group members. The individual is also expected to identify and establish working relationships with relevant local organizations and agencies to deliver educational programs, events and activities pertaining to CRD in Hinds, Madison, and Rankin Counties.

Qualifications

- Bachelor's Degree in Agribusiness, Economics, Business Administration or other closely related disciplines. Master's Degree in related field is preferred.
- Two years of experience working effectively with youths and Community Resource Development.
