Job Description

Extension agents are professional educators who serve as a link between Kansas State University and communities across Kansas. This position will provide primary leadership for the development and implementation of research-based educational programming related to agriculture and natural resources. Programming will include but is not limited to: agronomic and livestock production, small acreage management, urban agriculture education, and coordination of the Extension Master Naturalist Program.

Required Qualifications:

Bachelor's degree with knowledge of agriculture and natural resources as evidenced by academic courses, professional development and/or professional experience.

Evidence of strong academic and/or professional performance as documented by college transcripts, acceptance into a graduate program or documented success in increasingly responsible professional positions.

Ability to communicate effectively, both orally and in writing, with individuals, groups and through mass media.

Leadership skills as evidenced by working with individuals, groups and co-workers.

Access to a personal vehicle and the ability to obtain/maintain a valid driver's license.
