**Apply By Email**

**Job Description**

Extension agents are professional educators who serve as a link between Kansas State University and communities across Kansas. This position will provide primary leadership for the development and implementation of research-based educational programming related to agriculture and natural resources. Programming will include but is not limited to: agronomic and livestock production, small acreage management, urban agriculture education, and coordination of the Extension Master Naturalist Program.

**Required Qualifications:**

Bachelor's degree with knowledge of agriculture and natural resources as evidenced by academic courses, professional development and/or professional experience.
